G                          D/Fis
My heart belongs to Jesus
      C/E                      G/D
my heart belongs to the king of kings
     C                      G/H
my heart belongs to the father
       C                D

           C         D
I will serve my King
                 e              C
and bow down before him
               G/D       D
and I will give all I am
      G
to him
